The 7th edition of the International Conference MAN AND MYTH

SUCEAVA, 18-20 MAY 2017

The scientific event "Man and Myth", arrived at its seventh edition, is addressed to professors in the higher education system, doctoral students and researchers, all interested in the mythic dimension of the human being and demythization phenomenon.

Since 2005, when "Ștefan cel Mare" of Suceava, Romania held the first edition, the International Conference "Man and Myth" has brought together experts in mythology and also passionate researchers about the so exciting universe of ancient and modern myths, to share academic experiences, personal research results in order to develop professional and inter-university cooperation in the European and extra-European framework.

The International Conference "Man and Myth" offers participants the opportunity to reveal the results of their research on the myths from the perspective of language sciences, literature and cultural anthropology.

The themes/sections are:

- MYTH AND LANGUAGE
- MYTH AND LITERATURE
- MIT AND CULTURAL ANTHROPOLOGY
